MINORITY CELL

Introduction:

The Minority cell is established to empower the minority students in the college. The cell actively participates in resolving the issues and problems related to the minority students and employees of the college. The cell also provides assistance in getting scholarships, personality development and remedial classes etc. It also facilitates financial support to students from minority communities from government agencies and other sources. The minority cell has been very much keen to provide services to the educational and cultural needs of the minority community.

Objectives:

- To ensure provisions for an environment where all such students feel safe and secure.
- To facilitate financial support to students from minority communities from governmental agencies and other sources.
- To be aware of the minority students regarding various scholarships program of state and central Government.
- To ensure protection and reservation as provided in the constitution of India.
- To encourage enrolling in career orientation programs that would empower and equip them with the necessary skills to choose career options.

Roles and Responsibilities

- To function as a Grievances Redressal Cell for the grievances of minority students to render them necessary help in solving academic as well as administrative problems.
- To arrange special opportunities to enhance the carrier growth of these students.
- To conduct the programme for disseminating the scholarship schemes provided by governmental agencies and other sources.
