OBC CELL

Introduction

The OBC Cell in Gandhi Academy of Technology and Engineering, Berhampur has been established with the purpose to empower the OBC students and resolve their issues. The main purpose of this cell is to deal with representations received from Other Backward Classes (OBC) Candidates regarding their admission, scholarships and other similar matters in the College.

Objectives

- To educate and empower the students of OBC categories in the college to use facilities provided by government for their educational career.
- To implement and monitor continuously the reservation policies.
- Effective implementation of the reservation policies offered by government.
- To collect feedback from students and action taken on queries regarding application of schemes.

Activities of OBC cell in Gandhi Academy of Technology and Engineering

- In Gandhi Academy of Technology and Engineering, the OBC cell would undertake activities to ensure that OBC students receive equal opportunities and support in their education. Some of the specific activities of the OBC cell in an engineering college could include:
- Counselling and Guidance: The OBC cell would provide counselling and guidance to OBC students to help them navigate their academic and career paths. This would include advice on course selection, career opportunities, and information about scholarships and other financial assistance available to them.
- Mentoring Programs: The OBC cell could organize mentoring programs for OBC students, where they can connect with senior students or alumni from their communities who can provide guidance and support.
- Workshops and Training Programs: The OBC cell could organize workshops and training programs to help OBC students develop skills that are essential for their academic and professional success. These could include programs on communication skills, leadership skills, and technical skills.
- Scholarship and Financial Assistance: The OBC cell would identify scholarship and financial assistance programs that are available to OBC students and help them apply for these programs.
- Awareness Programs: The OBC cell would organize awareness programs to inform OBC students about their rights and entitlements and the various opportunities available to them.
