Report of Awareness Program on Prevention of Sexual Harassment

Introduction:

Gandhi Academy of Technology And Engineering, Berhampur conducted sexual harassment prevention awareness program on 17/05/2023. The purpose of the program was to raise students' awareness of the harmful effects of sexual harassment and the importance of maintaining a safe and respectful environment at the institute.

Program Content:

The program addressed various aspects of sexual harassment, including what constitutes sexual harassment, the legal consequences of sexual harassment, and the role of the Institute in preventing and treating sexual harassment. A panel discussion was also held as part of the program, where experts from various fields discussed the impact of sexual harassment on students and staff members and measures to prevent such incidents.

Number of participants:

More than 232 students from different courses and a total staff of members participated in the program. Students and staff actively participated in the discussions and shared their opinions on the topic.

Result:

The program succeeded in raising students' awareness of the harmful effects of sexual harassment. The students understood the importance of maintaining a safe and respectful environment in the institute and undertook to follow the guidelines issued by the institute to prevent such incidents.

Conclusion:

The sexual harassment prevention awareness program implemented by our institution was very successful. This gave students and staff an opportunity to understand the seriousness of sexual harassment and its impact on individuals and the institute as a whole. The Institute is committed to creating a safe and inclusive learning environment on campus and will continue to implement such awareness programs in the future.

Report of Awareness Program on Anti-Ragging

Introduction:

An awareness program on anti-ragging was conducted by Gandhi Academy of Technology And Engineering, Berhampur on 13/04/2022. The objective of the program was to create awareness among students about the harmful effects of ragging and the importance of maintaining a healthy and respectful environment in the institute.

Program Content:

The program covered various aspects related to ragging, including what constitutes ragging, the legal implications of ragging, and the role of the institute in preventing and addressing ragging incidents. The program also included a panel discussion, where experts from various fields discussed the impact of ragging on students and the measures that can be taken to prevent such incidents.

Attendance:

The program was attended by over 150 students from different courses and all staff members. The students actively participated in the discussions and shared their views on the issue.

Outcome:

The program was successful in creating awareness among the students about the harmful effects of ragging. The students understood the importance of maintaining a healthy and respectful environment in the institute and pledged to follow the guidelines set by the institute to prevent such incidents from occurring.

Conclusion:

The awareness program on anti-ragging conducted by our institute was a great success. It provided an opportunity for students to understand the gravity of ragging and its impact on individuals and the institute as a whole. The institute is committed to creating a safe and inclusive learning environment for all students and will continue to conduct such awareness programs in the future.

NOTICE

We hope this letter finds you in good health and high spirits. As part of our commitment to fostering inclusive and equitable development, Gandhi Academy Of Technology And Engineering is pleased to announce an upcoming SC and ST Development Committee Awareness Program.

Date: 10/04/2019

Time: 12:00PM

Venue: Conference Hall

The SC and ST Development Committee Awareness Program aims to raise awareness about the challenges faced by the Scheduled Castes (SC) and Scheduled Tribes (ST) communities and highlight the importance of their development. The program will feature informative sessions, discussions, and interactive activities to promote understanding, empathy, and support for the empowerment of these communities.

Agenda:

1. Welcome and Registration
2. Inaugural Address
3. Keynote Speech on SC and ST Development Initiatives
4. Panel Discussion: Challenges and Opportunities
5. Interactive Q&A Session
6. Networking and Refreshments
7. We are honoured to have distinguished speakers and experts in the field who will share their insights and experiences to enrich the discussion.

We extend a warm invitation to you to join us for this significant event. Your presence and participation will contribute to the success of this awareness program and help create a more informed and supportive community.

Thank you for your time and consideration. We look forward to your presence at the SC and ST Development Committee Awareness Program.

Odisha Nationality: Indian, a student of 1st / 2nd 3rd / 4th year in Computer Science Engineering Branch of
Gandhi Academy of Technology & Engineering, bearing University Roll no/ Registration No. 22015241014
do hereby declare that:

In pursuance to Hon'ble Supreme Court of India's decision to civil appeal No 887 dated 16.03.2009, 11th
Academic Council Meeting 07.07.2008 and 13th Board of Management Meeting dated 22.06.2009 in UGC,
Central Govt., State Govt. and University directions and guidelines' Ragging 'in any form is strictly
banned in all colleges. Broadly speaking, ragging is: Any disorderly conduct by words which has the effect
of teasing, treating or handling with rudeness, indulging in rowdy, which causes annoyance, hardship or
psychological harm in a fresher or asking the students to do any act which has the effect of garnering or
sense of shame or embarrassment so as to adversely affect the psyche of a fresher. The indulgency in
ragging is derived out of sadistic pleasure or showing off power, authority or superiority by the seniors
over their juniors. Anybody found indulging in such activities is liable to be punished as exemplified
herewith: (i) debarring from representation in events, (ii) suspension or expulsion from hostel and the like,
Or, in the worst case may include expulsion from the Institution, suspension from the institution or
classes for a limited period or fine with a public apology. Besides, the college is bound to obtain the
undertaking signed from the guardians and students in the attached format or in the prospectus as a
confirmation that the matter has been informed

1. I fully understand the verdict of Honorable Supreme Court of India regarding ragging in educational Institutes :
2. I also fully understand the implication of the verdict that if I indulge myself in any activity of harassment / humiliation / mental & physical torture to others which may be termed as 'RAGGING'. The College without giving me any chance to explain, even without giving opportunity to the student or parents what so ever can directly lodge FIR against me, can also impose punishment such as expulsion of one academic year / 01 Semester with fine, even can impose maximum punishment of expulsion from the College after looking into the facts and the circumstances.
